for the course
CS 191 Software Engineering I
of the
1ˢᵗ Semester, AY 2019-2020

Unique Reference:

The documents are stored in the bit.ly/OrgUPDocu under the folder Workshop 4 referenced with Group 7 - UPLog - Use Case Model.pdf.

Document Purpose:

To have a summary of what UPLog does and its functions.

Target Audience:

Organizations within UP Diliman

Revision Control:

| Revision Date	Person Responsible	Version Number	Contribution and Modification
09/16/19	Arian Allenson Valdez	1.0	Initial Document; Filled in Actors; Use-Cases; Diagram
09/16/19	Bianca Bueno	1.1	Filled in the Unique Reference, Documentation, and Target Audience
9/16/19	Aira Ang	1.2	Updated description of Use- Case Model and Purpose

System Name: LogUP

Description: LogUP is a service application that helps organizations in UPD to keep track of their inventory while offering borrowing services to other organizations. It includes a list of what the organization possesses and what items are available to be lent. Organization admins (those who hold a position in the organization) allows the members the access of the inventory and descriptions.

Use-Case Diagram:

List of Actors:

Actors	Description
Org Administrator	The manager or executive committee of the org. He/She manages the list of items that can be borrowed, approves borrow requests, and approves/confirms receipt of items borrowed. He/She also assigns borrowers in the org.
Borrower	He/She can make borrow requests on behalf of the org
Admin	The main administrator of the site, he/she maintains the org administrator list

List of Use-cases:

Use-Case	Description
Use-Case 1.0 Maintain Org Description/Items	Maintain the list of items available to be borrowed and org description.
Use-Case 1.1 Add Item	Add item to list
Use-Case 1.2 Edit Item	Edit item descriptions
Use-Case 1.3 Delete Item	Delete item from list
Use-Case 1.4 Borrow/Receive Item	Use case for when an org wants to borrow an item/receive back an item
Use-Case 1.5 Edit Org description	Edit description of org
Use-Case 2.0 View Items	View items available to be borrowed
Use-Case 3.0 Maintain Org Admin List	Maintains the list of valid org administrators for the site
Use-Case 4.0 Maintain Borrower List	Maintains the list of valid borrowers for the org
